

Case 2007-00134,

not believe that Kentucky American Water's proposed
Pool 3 on the Kentucky River to Newtown Pike in Fayette
the least cost solution to the water needs of Central Kentucky.
I do not believe that a private for-profit company should
benefit financially from the destruction of my property or my neighbor's

citizens of Central Kentucky deserve a long-term solution to
water needs. Utilization of a larger water body, such as the Ohio
River, along existing utility corridors makes the most sense
economically, environmentally, and aesthetically.

Comments: I would be in favor for the pipeline to
US-64 from Louisville to Lexington.
